

# GOLF DAY FUNDRAISER!

Rutherford's finest football players head off to Spain and the UK in April 2017 on the trip of a lifetime! The combination of professional coaching at some of the world's top clubs, highly competitive fixtures, and visits to iconic stadiums will provide a once in a lifetime experience for these thirty students.

Your support of the GOLF DAY FUNDRAISER will help realise Principal Gary Moore's vision of providing world class opportunities for our very own Rutherford students under the embodiment of the school motto "Tohea!"
